- The benefits of the metro bus between governorates
  - 1. Reducing the time for transportation
  - 2. The cost of transportation is lower, meaning that workers can work in a different governorate instead of going by transporting a taxi, he will go by metrobus
  - 3. The time for the metrobus is fixed and more accurate, there will be no delay in the work date
  - 4 .. Any citizen of Iraq can work in any of the Iraqi governorates without saving a lot of effort and money

Organizing a network of internal buses within the cities and governorates of Iraq. This facilitates transportation between the governorates, saves effort and money, and facilitates the movement of students, employees and workers. In short, transportation will be available to all citizens, and there are several benefits that we will mention here and briefly

## Benefits of internal transportation •

1..Reduce traffic momentum •

2..Reduce air pollution •

3..Saving time and improving the lives of citizens •

4..Easy access to work •

5..Saving time and money •

6..Maintaining the safety of citizens from frequent traffic accidents •

7.. You will not be afraid for your children when they go to schools, and transporting them will be safer •

They said, "An apple a day keeps the doctor away. •  
" And they also said: "The house that the sun enters does not enter a •  
doctor." •

I say boarding the internal transport bus saves you from visiting the •  
doctor's office, no, but also from conducting periodic and laboratory •  
examinations as well.

How can we not feel the benefits and valuable virtues that internal •  
transportation offers us? •

No, but we blame him and deny him, forgetting the advantages of this •  
generous institution Let us give some simple examples of the benefits of •  
boarding the internal transport bus on the physiological health of our •  
body:

First of all we limp waiting for us on the side of the road for hours waiting •  
The bus of virtues and bounties is coming, my dear, don't look at the empty •  
part of the cup, Waiting refines the soul, restores it, and beautifies it with •  
patience
